Three illustrations showing different types of energy use:

- A blue car being charged by two charging stations, one with a lightning bolt icon and the other with a "GS" logo.
- A house with solar panels on the roof, a tree, and a power meter, with a sun icon above it.
- A blue bicycle with various parts labeled in Japanese: ウインカー (Turn signal), ヘッドライト (Headlight), バックミラー (Rearview mirror), クラクション (Horn), and ブレーキ (Brake). A small box next to it shows a "9" logo and the text "安心町" (Anshin Town) and "お 12-34".
